Annual Meeting of the SATW (Swiss Academy of Engineering Sciences) at the ETH-Zürich, guests are welcome to attend, see → <http://www.satw.ch/> or: [http://www.satw.ch/gen-sec/events/jt99\\_prog.html](http://www.satw.ch/gen-sec/events/jt99_prog.html)

This special event is open to all researchers in Switzerland with interest in Nanoscience. We encourage also young researchers (PhD students and postdocs) to attend this unique event. Because the number of participants is limited, **pre-registration is mandatory. Preference will be given to poster contributions.**
